Coming home to Crompton Fans . . .

Come home to a lifetime of blissful comfort, in a style of your personal choice . . .

At Crompton Fans, we work tirelessly to ensure a comfortable lifestyle for you, and have been doing so since the last 75 years. Today, Crompton Fans is a recognizable name worldwide, spanning diverse applications and segments. Decades of experience and the desire to excel has ensured innumerable innovative offerings, from sleek workhorses to stunning objects of grandeur . . .

In fact anything you desire, is a reality at Crompton Fans ! Hardly surprising, seeing that Crompton was the initiator of the Fan revolution in the subcontinent, way back in 1937 and remains the largest manufacturer of fans till date.

With an enviable and extensive product portfolio, we remain determined in our quest to provide the perfect model to suit your requirements, ensuring that your homes and workplaces are zones of total comfort and health, without compromising on your style quotient ! And of course the impeccable quality and timeless durability that is synonymous with every Crompton product.

In addition to our facilities at Bethora and Kundaim in Goa, our extended facilities at Baddi in Himachal Pradesh, alongwith our countrywide marketing network of 23 branches and 4 regional sales offices in Delhi, Kolkata, Mumbai and Chennai, strive day in and day out towards our focused goal of ultimate customer satisfaction.

Extending our reach globally, we are today a leading fan exporter to countries like USA, Italy, S. Africa, Ghana, Fiji, Singapore, Bahrain, UAE, Sri Lanka, UK, France, etc.

In our endless quest to provide a fan for every need and purpose, we present to you our latest collection . . .
